SPRING SUMMER 2015

A Chic Summer Holiday Cruising Along The Mediterranean Shores.

For Spring Summer 2015, at Raoul we imagined our woman on the Riviera in her impeccable yet effortless style, always exuding confidence and modernity, living by Jackie O's motto: "there's nothing more serious in life than appearance".

Indispensable Espadrilles in Mirrored Leather, Strappy flatforms, Glitter Birkies and Mirrored Flat Gladiators were all conceived for those long, comfortable Summer walks.

What is a Mediterranean Summer without the glitz and glamour of the night life- and for those, every woman needs the perfect shoe to make her entrance and turn all heads. Our Silver, Gunmetal and Pink Glitter Skimmers and Strappy Block Heels bring out the essence of the Raoul woman to perfection - always cool, always chic, always feminine.

One should never underestimate the importance of the perfect Summer bag. For Summer we refreshed our bags with Rose Gold and Gunmetal metal hardware against White and Water Colour Blue Saffiano Leather. For those casual, effortless days, the Mini Blake, with its double compartments makes for a perfect cross-body bag, while the Lotus Bag Pack which can also be hand held, is the perfect combination of function and elegance. The Marion continues to be a key shape, coming this Summer in Rose Gold and Gunmetal leather, as well as a more whimsical serigraphy of the Muse print from the Ready to Wear Collection.
