About Raoul

Raoul is recognised internationally for its accessible luxury offering of Men's & Women's Ready-to-Wear & Leather Goods. It is the homegrown fashion and leather goods brand from the house of F J Benjamin. The dynamic husband and wife team, Douglas and Odile Benjamin launched Raoul in Singapore in 2002 as a men's shirt label, branching out to womenswear in response to demand for affordable tailored pieces with uncompromising standards of design and quality. Raoul's tailoring origins are manifested in the collections – impeccably cut separates, with luxe fabrics and considered detail. This refined aesthetic evolves from season to season with thoughtful references and finesse, always on-trend but with a timeless elegance. Keeping to its brand promise of bringing contemporary affordable luxury to consumers, Raoul signed up Raphael Young as the brand's accessory designer. The brand has grown with standalone stores across Asia-Pacific and a flourishing international presence. Raoul is currently available in the fashion capitals of Paris, Milan, London and New York through selected retailers such as LaRinascente, Printemps Haussmann, Harrods, Saks Fifth Avenue, Neiman Marcus, Liberty London, Fenwick and KaDeWe. Raoul is also retailed online via portals such as Bloomingdales.com, Saks.com, and Neimanmarcus.com. Celebrities such as Rebecca Romijn, Jennifer Lawrence, Lea Michele, Kelly Rutherford, Pixie Lott, and royalty including The Duchess of Cambridge, Kate Middleton, have been seen wearing Raoul.
